

Due to increased workload and our continued expansion, we are looking for Quantity Surveyors at all levels to join our team!

We are looking for Quantity Surveyors at all levels, to join our team where they will play a key role within our housing, industrial, retail, leisure and commercial sector projects.

We require someone who is skilled at relationship building, has a general working knowledge of the construction industry and is happy to work under their own initiative.

This role will allow the successful candidate to experience a great deal of hands on involvement during projects.

Their responsibilities will include, but are not limited to;

- Involved with the preparation of accurate estimates of materials, plant and labour required;
- Involved with the production of main contract and subcontract tenders;
- Involved with financial reports;
- Taking site measurements;
- Attending progress meetings and supporting the client before and during construction;
- Involved with the production of final accounts;
- Identifying potential new work opportunities;
- Working closely with other members of the team.

Relevant experience in these keys areas is essential.

The successful candidate should be self-motivated, hardworking, and conscientious and will have great communication skills. You will also have a commercial focus, and maintain excellent customer service for our clients. You will be keen to join and support a growing business whilst making contributions to its growth. Being a strong team player is essential.

Please note we will only accept applications from candidates eligible to live and work in the UK.

The position is based in Cheltenham with some remote working available and national travel. Clean driving licence and access to a car is essential.

Benefits

- Competitive salary subject to experience
- 30 days paid holiday including Bank Holidays
- Sick pay
- Optional Pension Scheme
- Monthly phone allowance
- Various team social events during the year.

Please send your CV and a cover letter detailing why you would be a suitable candidate to info@adcms.co.uk. No agencies please.
